Dear Diner,

The following table, **which could be changed**, gives you the plans for the forthcoming year. The six dark, wet winter Socials have been replaced by Sunday lunches. More details of the venue will be given in the monthly website newsletter, and a map can be seen on the website. All the venues for the month can be seen there. Phone for more details if you are unsure.

For the social, the emphasis is on a good 'bar' meal which is not too expensive. Letting us know if you are coming is now **very important** as a table has to be booked in advance. Try to let me know a **week** before but **no later than two days before**.

For the dinner, the deadline will be given on the website. Generally, it is usually a couple of days before the date as a provisional booking will have been made.

For the Sunday lunch, please let John know preferably the weekend before.

Unusual Dates are marked in **bold**.

You can phone **John** on **07964 775006**. Please keep the table of dates and locations for this year to help you make plans.

I hope to see you at the meetings,

Philip.
